Directions to Hachigamine Park

- Exit the main gate and proceed to 4 corners. Turn right at 4 corners onto Rt. 188. Follow Rt. 188 through downtown Iwakuni, past the local train station, to Rt. 2. Turn right onto Rt. 2. Follow Rt. 2 for about 5km. You will see a 7-Eleven gas station on the left and a green train trestle, which crosses above Rt. 2, straight ahead. Take a left at the first traffic light past 7-Eleven. You will also see a Japanese sign for Hachigamine (look for bumblebee sign) on the left. If you go past the green train trestle you have gone to far. Cross the bridge and follow this road, you will pass tennis courts on the right and further down the road you will come upon a school on the right and a brown Community Hall on the left. Soon after passing the Community Hall and school the road will come to a T (the river will be in front of you) go left. Shortly, this road comes to an Y intersection, take a left (there will also be a green and white sign, with a big leaf picture, pointing with a red arrow). Follow this road, not too far, and you will come upon another green and white sign, with a big leaf picture, pointing with a red arrow. Make a left at the sign and you will come upon Hachigamine.
